

# 2021 SMART CONSTRUCTION CHALLENGE

**Leveraging IoT and reality  
capture to unleash productivity  
in construction sites**

You are invited to make a change in one of the largest industries. We at Hilti have a challenge for you – can you develop advanced tech solutions to tackle industry challenges? Come and join us on our 2021 Global Challenge: Leveraging IoT and Reality Capture to unleash field productivity in construction. **Want to learn more? Check out our website (<http://tinyurl.com/hiltichallenge>) or use the QR code.**
